

Due to Covid-19 all three of our shelters have remained closed to public access since the start of this health crisis. Staff are on-site providing the best care possible to the animals within our shelters every day and we have staff available by phone at each of our locations to answer any questions that you may have.

All lost animals are posted on our website, checked for ID, scanned for a microchip, and cross-checked with our lost reports. If/when an owner is located we will make arrangements for the owner to pick up their pet.

Our adoption policies will continue to operate under the following modifications:

- We will be open for customer walk through to the shelter by **APPOINTMENT ONLY**. Call us to schedule your appointment.
- Pets may be viewed on our website 24/7. The website is updated hourly and online adoption applications are available.
  - Online application form is available at: [www.montgomerycountyspca.org/adoption-form](http://www.montgomerycountyspca.org/adoption-form)
  - Inaccurate applications, application missing answers, or missing pertinent information will not be considered or will be declined.
  - Once the application has been reviewed and approved, a staff member will be in contact to schedule an appointment so you can meet with the animal.
  - Please be aware that we can only select one applicant for an animal and encourage you to reapply for another animal if your application was not selected for a particular pet.
  - Additional information may be obtained by calling the facility housing the pet, clicking the links on our website, or by viewing our Facebook page which continues to be updated with adoptable pets.
